PLEDGE

The Cheyenne County Assessor and staff are paid by and work for the taxpayers. My pledge is that the Assessor's office will provide service to the taxpayers with courtesy and respect.

The rights of property owners will always be protected. I pledge to operate the Assessor's office openly and will always listen to constructive criticism.

Property will be accurately and fairly appraised.

Real property tax reform begins when the necessary tax burden is equitably and fairly shared among all property owners.
